

Special Event Application Instructions

PMC 5.35

Special Event applications must be submitted no less than 30 days prior to the event, 90 days for an outdoor music festival.

STEP 1: Complete & Submit City Application with Required Fee

Complete the Special Event application and return with required attachments (as noted on application) to the Inspection Services office, with the appropriate fee.

STEP 2: City Review Process

The application will be reviewed by the City, and you will be notified if any conditions are imposed. When all conditions are met, the Inspection Services Office will issue a Special Event Permit.

****Street and Intersection Closure Review requires a non-refundable fee.**

Additional Information

Noise Ordinance PMC 9.130: No person, whether or not that person is in actual possession of the noise source, shall create, continue, or cause to be created or continued, or allow to be created or continued, any public disturbance noise.

For more info contact our Community Development Department at 509) 545-3441.

Admission Tax: Those responsible for special events for which admission is charged shall file a tax return accompanied by remittance of admissions tax within 10 business days of the conclusion of the event.

For more information contact our Finance Department at 509) 543-5713.

Sales Tax: Use location code 1104 on your State of Washington Combined Excise Tax Return when reporting retail sales or use tax occurring within the City of Pasco. This does not increase your tax liability and insures that Pasco receives the local sales and use tax from your business activities within Pasco.

If you have Questions about the permit process, please call:

Street and Intersection Closures

PMC 5.35.180

- A) Each application for a special event permit which includes a request for a closure (or partial closure) of a street or intersection shall include the following:
1. **Indemnity.** The applicant shall be required to sign a statement that he or she shall defend, indemnify and otherwise hold harmless the City of Pasco, its officers, employees and agents from any and all claims or liability arising from the City's grant of permission for or the actual conduct of the special event associated with, and including, such street closure.
 2. **Insurance.** The applicant shall provide evidence of liability insurance coverage, for review by the City's risk manager, with the City of Pasco, its officers, employees and agents named as additional insured parties and offering death, personal injury and property damage liability in an amount not less than \$1 million.
 3. **Notice.** The applicant shall provide for payment of one newspaper publication and posting, at each end of the to be closed portion of the street and at all intersecting streets, of the notice of street closure (for closures of duration in excess of twelve (12) hours) pursuant to RCW 47.48.020; or for closures of less than twelve (12) hours, posting of such notice, posting only as outlined above.
 4. **Traffic Control Plan and Devices.** The applicant shall provide a plan and such barricades, traffic cones or signs, in conformance with the most current version of the Manual on Uniform Traffic Control Devices (MUTCD) as adopted by the State of Washington and approved by the City Engineer, as are necessary to accomplish the proposed closure. The City does not provide or lend traffic control equipment except for City-sponsored events and closures.
 5. **Review Fee**** A review fee, which shall be in addition to any special event fee, and as set forth in Chapter 3.35 of this code, shall be required with each application for closure of a street or intersection. **The fee shall be non-refundable, regardless of whether the application is approved or denied.**
- B) Each street closure request contained within an application for special event shall be reviewed by a committee consisting of the City Engineer (or designee), the Police Chief (or designee) and the City Fire Chief (or designee). The committee shall determine if requested street or intersection closures will be allowed, together with any additional requirements for or traffic flow, public safety, access or public notice. Any appeal of the decision of the committee may be made to the City Manager pursuant to section 5.35.180.
- C) The committee shall approve an application for a street or intersection closure which satisfies the requirements set out in subsection A, above; together with such other requirements as the committee may impose, pursuant to subsection B, unless it finds one or more of the following conditions, in which case the application shall be denied:
1. That the closure is likely to unreasonably interfere with vehicle or pedestrian traffic flow; or
 2. That the closure is likely to create an immitigable danger to vehicular or pedestrian traffic; or
 3. That the closure will cause irrevocable interference with previously approved and/or scheduled construction, maintenance, or other activities; or
 4. That the closure will seriously inconvenience the general public's use of public property, services or facilities; or
 5. That there are not sufficient public safety personnel or other necessary city staff to accommodate the closure so that it may occur in a reasonably safe manner; or
 6. That the closure would endanger public safety or health; or
 7. That the closure would likely to cause unreasonable damage to public properties or facilities; or
 8. That the closure is not necessary to accommodate an event or activity sponsored by a public entity or available to the general public for the period of the closure.
