

Team Captains:

Please, find attached paperwork for the 2022 Adult Flag Football season. The football season is just around the corner. Attached is your Adult Flag Football rules packet and time line for deadlines. **We have a new registration process that requires each team captain to register their team in a specific division, which is listed below.**

Team captains will register their team in one of the following division below. If we notice that a particular team does not belong in a certain division, we reserve the right to switch them to a different division. After you have registered your team you will then forward your team name and password to each of your players. This information will be required for each of your players to sign up for a player card.

Division 1 Class Number 437 (Upper Division)	(Purchase player card with the class number)
Division 2 Class Number 438 (Middle Division)	(Purchase player card with the class number)
Division 3 Class Number 439 (Lower Division)	(Purchase player card with the class number)
Division 4 Class Number 440 (Lowest Division)	(Purchase player card with the class number)

This program will fill up quickly (only 32 spots available) so make sure to go on-line and make a payment to reserve your spot. We can't hold spots as this is a first come first serve program.

You can register your team now on-line and purchase player cards at www.pascoparksandrec.com . At this time player cards are \$20.00 per player. After October 17 player cards will be \$25.00.

I look forward to having a great year of football this fall. If you should have any questions contact me directly through e-mail.
