ADDENDUM #2
Pavement Condition Assessment RFP
April 2nd, 2020

The following addendum is hereby issued and made a part of the Pavement Condition Assessment RFP that was sent out on March 18, 2020.
Addendum #1 was sent out on April 1, 2020.

Questions/Clarifications:

The Original RFP has stated 332 center lane miles. After receiving a request to breakdown the mileage by functional class by GIS we have found out there is **398.3** centerline miles that need to be assessed for this RFP

Can you please provide us the breakdown of the mileage by functional classification, if available?

- Per Addendum #1 we said this would become available. It is now available as **Exhibit A** of this addendum.

Digital submissions are now accepted. Will you still accept a hard copy submission?

- Yes, the City of Pasco will accept either a digital submission or a hard copy submission for this RFP. The digital submissions must be e-mailed to Dustin Wittman at: wittmand@pasco-wa.gov.

The RFP schedule has been extended due to information incorporated within this addendum. Submittals are now due on: Thursday, April 16th, 2020 at 2:00 pm.
This addendum will be placed on the City of Pasco Website.

NOTICE is hereby given that **must be signed and enclosed** with your RFP documents for the **Pavement Condition Assessment** as evidence that the bidding firm (bidder) have familiarized themselves with all information incorporated herein.
